PROFESSIONAL SUMMARY

Detail-oriented Administrative Officer with 2+ years at DICT Regional Office 1, managing 3,700+ executive documents, coordinating 30+ government agencies, and ensuring on-time compliance across high-volume operations. IT graduate (Magna Cum Laude), PhilNITS Certified, DOST-TAPI Sibol Award 2nd Placer, and proficient in AI-assisted productivity tools. Available for remote and international work including AU/US business hours.

WORK EXPERIENCE

Project Development Officer II — Digital Government Program

Jan 2025 – Present

Department of Information and Communications Technology, Regional Office 1

- Controlled end-to-end document flow for 1,500+ executive-level documents, ensuring accuracy, proper routing, and on-time approvals across 30+ client agencies.
- Managed and tracked 250+ travel orders, claims, reimbursements, and gas vouchers with zero processing errors.
- Handled executive email inbox of 370+ communications, triaging urgent requests and drafting timely professional responses.
- Prepared 60+ official correspondence, memoranda, and reports; processed 3 procurement requests supporting program operations.
- Coordinated logistics and documentation for 20+ user trainings, workshops, and stakeholder meetings.
- Monitored LGU compliance for MOAs, accomplishment reports, fund utilization records, and surveys.

Project Development Officer I — IBPLS and eLGU Project

Jul 2023 – Dec 2024

Department of Information and Communications Technology, Regional Office 1

- Processed 2,200+ documents for the Regional Director's signature with zero missed deadlines.
- Drafted 100+ correspondence, reports, and memoranda; processed 10+ procurement requests and organized 20+ project events.
- Coordinated with LGUs and stakeholders to enforce timely compliance with all project requirements.
- Maintained systematic filing and archiving systems for efficient document retrieval across the project lifecycle.

On-the-Job Trainee

Mar 2023 – Jun 2023

Department of Information and Communications Technology, Regional Office 1

- Served as Lead Designer and Front-End Developer for an internal procurement system — contributed to UI/UX design, component development, and team coordination.
- Assisted in facilitating trainings and examinations to support organizational operations.
